

HEDLER HF65 - technical data

Code	< 6511 >
AC power supply	230 V / 50 - 60 Hz
voltage bulb	-
max. lighting output power in Watts / 230 Volt	650 Watt
max. lighting output power in Watts / 110 Volt	-
angle of light beam without reflector	variable
spot lighting position - angle of light beam without reflector	approx. 19°
flood lighting position - angle of light beam without reflector	approx. 75°
ambient temperature	-15° up to +40° C
material of housing	aluminium
AC motor	-
DC motor	-
fan cooling - normal	-
fan cooling - automatic	-
fuse / Ampere max.	-
attachment to light stand	bush 5/8"
weight	2350 gr
measurements w/o U-bracket length x width x height	160 x 165 x 180 mm
length of power cord	3,5 m
suits for original sound recording	yes
thermo-safety-switch	-
marking / check	CE + DIN 0701/0702
